

KMT Track Days Event Rules and Regulations

Motorcycle

- **Eligibility Requirements** - Rider must be in possession of a full current road riding license or current competition license. Riders under the legal age must have a valid competition license.
- **Rider Gear** - Race Suits, Boots, and Helmets are required. Off-road style motorcycle helmets are not allowed.
 - Damage-free BSI, ECE-2205, DOT, or SNELL full-face helmet with face shield.
 - Riding boots that fully cover the ankle.
 - Gauntlet-style gloves with full wrist coverage.
 - One-piece riding leathers. With padded shoulders, elbows, hips, and knee areas. No chaps.
 - Advanced and Intermediate group riders are required to wear back protectors. Softback pads sewn into suits are not enough.
 - We also ask that you consider the use of a chest protector.
 - If you are a beginner rider, you must provide your own hi-visibility vest, orange or yellow in color, that does not clash with your riding overalls.
- **Motorcycle Safety Minimums** - All bikes must pass a technical inspection before admittance to the track. If your bike does not pass the tech inspection, you will not receive a refund. It is your responsibility to have your bike prepared before riding on the racetrack.
 - All bikes must pass a technical inspection before admittance to the track. If your bike does not pass the tech inspection, you will not receive a refund. It is your responsibility to have your bike prepared before riding on the racetrack.
 - Tires should not be more than two years old. Any tires that are bluing from excessive wear will be disallowed.
 - Headlights, turn signals, and Brake lights must be taped over or removed. Side mirrors must be removed for the Advanced group and at least taped over for all other groups.
 - We recommend, but do not require, the removal of center stands. No bikes with center stands will be allowed in the Advanced Group due to the ground clearance issue.
 - All machines must have an operational handlebar mounted kill switch/button and self-closing throttle in good working condition.
 - Advanced and Intermediate group riders must use water, water wetter, or a non-ethyl glycol-based antifreeze/coolant. Approved Poly Glycol brands are Evans, 7th Gear, Liquid Performance, and Engine Ice. Automotive ethyl glycol-based coolants are not allowed.
 - All valve stems must have caps.

- Wheel balance weights must be well secured, and duct-taping is required
 - License plates must have bolts taped or be removed.
 - Advanced riders only must safety wire oil drain plugs, oil filters, and oil fill caps. Intermediate must have a minimum of RTV or Silicone dab on the oil drain plugs and oil filter. Please note that if you spill oil on the track, your day is over.
 - Dark visors are not permitted once sundown and clear visor at night.
 - Footpeg extensions must be removed.
 - Tire thread should be acceptable within acceptable limits.
 - Mirrors must be removed, folded, or taped.
 - No lower kits allowed
- **Mandatory Briefing** - Every rider must sign on at the registration desk and collect a wrist band then attend a mandatory rider safety briefing before going on track.
 - **Insurance** - Standard motorcycle insurance does not cover you for track days. You are responsible for any damage done to your motorcycle.
 - **Session** – Open track sessions will be open pitlane. Track time will be 3 hours per session.
 - **Rules of the Track**- Track days are not competitive, so lap timing is not permitted. Any stoppages or delays on track due to incidents during driving sessions will not be refunded, and session time will not be extended
 - I. No racing allowed
 - II. Overtaking is to be done in a safe manner and only on straights and no-overtaking through the corners.
 - III. No wheelies, reckless driving, stopping, or burnouts. Failure to adhere to speed limits (60 Km/h) and ignoring marshals will lead to a permanent ban from KMT.
 - IV. Always obey the marshal's instruction and digital flags
 - V. Smoking is strictly prohibited in pitlane and pit garages.
 - VI. Scooter, one wheel, and bicycle and not permitted to be in the pitlane.
 - VII. Driving in a reverse direction in a pitlane is not permitted.
 - VIII. No fueling in the pitlane.
 - IX. No parking in the slow and fast lane.
 - X. No drones in the pitlane.
 - XI. Nonparticipant and helper are not allowed to inter pitlane
 - XII. Media must take permission and procedure before entering the pitlane.
 - XIII. Don't leave your car unattended.

IN ADDITION TO THESE RULES AND REGULATIONS, ALL PARTICIPANTS MUST ADHERE TO THE STRICT COVID REQUIREMENTS OF KUWAIT MOTOR TOWN.

Kuwait Motor Town COVID Protective Measures

- Kuwait Motor Town Circuit will be taking the following steps to ensure the safety of all participants and staff.
- Participant numbers will be limited to ensure only 2 (*two*) car or bike per garage. Each participant at all open tracks will be allowed 2 (*two*) additional passengers ONLY.
- Temperature checks will be conducted on all visitors upon arrival at KMT. Anyone who shows a temperature outside the government-advised range (*38 degrees*) will not be able to enter the venue.
- All staff, marshals, and participants will be required always to wear masks (*unless a helmet is being worn*). Any KMT Staff doing the sign-on and scrutineering procedures will be required to wear gloves.
- We will do a contactless sign-on and scrutineering procedure and minimize the number of persons in these areas to limit interactions.
- Session briefings will be conducted within the government-advised social distancing guidelines, and the briefing room will be monitored with a separate “in” and “out” door being used. Only drivers will be allowed to attend the briefing to assist with the numbers in the room, and drivers will only be able to sit in socially distanced seats.
- To eliminate the chances of cross-contact occurring, we ask the participant to bring their own seats.
- Bathrooms of all garages will be sanitized during the changeover of each session.
- Hand sanitizer stations will be positioned near all doors. Where this is not possible, hand sanitizer stations will be positioned.
- Sanitized Helmets are available for hire. Helmets are mandatory for driving on the circuit.

We appreciate our customer’s support and understanding during this time. If you have any questions, don’t hesitate to contact us at coc@kmt.kw.
