

Cars Open Track Day

Rules and Regulations

- **Eligibility Requirements** - The driver must possess a full road riding license or current competition license. Riders under the legal age must have a valid competition license.
- **Driver Gear** – all driver gear must be in good condition that matches all the standards below, free of defects, and no cracks. It's a driver's responsibility at all times to ensure the condition of their gear.
 - **Helmets** - that match these standards. (*full-face helmet*)
 - i. BSI.
 - ii. ECE-2205.
 - iii. SNELL (SA2015, SA2020, K2015, K2020).
 - iv. FIA standards 8859-2015.
 - **Race cars Helmets** – for the vehicles without windscreens, their helmets must match the standard above, and the shield must be made of impact-resistant materials.
 - **Clothing** - drivers and passengers must wear long trousers and closed shoes. (No Deshdasha)
 - **Race cars Clothing** – race suits, gloves, and boots are permitted.
 - **Open Cockpit/open wheel Clothing** – FIA-approved race suits, boots, and gloves are permitted.
 - **Testing-** FIA-approved race suits, boots, and gloves are permitted.
- **Car Safety Minimums** - All cars must pass a technical inspection before admittance to the track. Your responsibility is to prepare your car before riding on the racetrack. You will not receive a refund if your car does not pass the tech inspection.
 - Tires should not be more than two years old. Any tires that are bluing from excessive wear will be disallowed.
 - Make sure that the car is not 'excessively' loud for the track. (110 dba)
 - Remove or secure all loose articles inside the car.
 - Make sure all the fluids are appropriate and topped up.
 - Check the vehicle for fluid leaks and fix any that you find.
 - Make sure the indicators and the brake lights are in good working order.
 - Beginner drivers will be given a brightly colored rear bumper sticker which must be displayed while driving on the track.
 - Camera mounts are not allowed to be mounted outside the car.
 - All cars must have factory seat belts or 3-point race-style harnesses that are securely mounted

- It's the driver's responsibility to have a tow hook. If a tow hook is not installed, the car will have been towed from the wheels.
- Convertible cars must have factory-installed rollover protection, commercial rollover, or a roll cage compliant with FIA Regulations.
- Sports Racers Car must have minimum 6 points welded roll cage and 4- or 6-point harness.
- **Tracks day classifications –**
 - **Cars track day** – Vehicle must meet roadworthy regulations. The front and rear lights are working correctly. The rear brake lights must be functional. The open-top car participating in this session must be under roadworthy regulation. "In this case, the car accreditation must be checked with the scrutineering team in KMT." *(No single-seaters, open-wheel cars, open cockpits, and SUVs are allowed)*
 - **Classic cars track day** - Vehicles must meet roadworthy regulations, and the car's age must be at least 20 years old. (No single-seaters, open-wheel cars, or SUVs are allowed.) The front and rear lights are working correctly. The rear brake lights must be functional.
 - **Race cars track day** - Only open-wheel cars and open top or not under roadworthy regulations are permitted to attend this session. Rear brake lights and rain lights must be functional. *(ex. Radical, KTM GT4, KTM E-XBO and Caterham)*
 - **Testing day-** vehicle must be subjected to FIA technical regulations under Race classifications. The driver must have an FIA Driving license.
- **Mandatory Briefing** - Every rider must sign on at the registration office, collect a wristband, and attend a mandatory safety briefing before going on track.
- **Insurance** - Standard car insurance does not cover you for track days. You are responsible for any damage done to your car.
- **Session** - Open track sessions will be open pitlane. Track time will be 3 hours per session.
- **Rules of the Track-** Track days are not competitive, so lap timing is not permitted. Any stoppages or delays on track due to incidents during driving sessions will not be refunded, and session time will not be extended
 - i. Overtaking is to be done safely, only on straights, and no overtaking through corners.
 - ii. Always obey the marshal's instruction or Digital flags.
 - iii. No drifting, reckless driving, or burnout. Failure to adhere to speed limits (60 km/h) and ignoring marshals will cause you permanently band.
 - iv. Mandatory to use your car indicator lights on track before entering the pitlane.
 - v. Smoking is strictly prohibited in pitlane and pit garages.
 - vi. Scooters, one-wheel, and bicycles and not permitted to be in the pitlane.
 - vii. Driving in a reverse direction in a pitlane is not permitted.
 - viii. No fueling in the pitlane.
 - ix. No parking in the slow and fast lanes.
 - x. No drones in the pitlane.
 - xi. Nonparticipants and helpers are not allowed to enter the pitlane unless they sign the waiver provided by KMT.
 - xii. Media must take permission and follow procedure before entering the pitlane.
 - xiii. Don't leave your car unattended.
